

Heritage Christian Schools Athletic Participation Registration Form 2016-2017 School Year

HCS Background

Readyland Preschool was opened in September 1967. Heritage Academy was the natural outgrowth of Readyland Preschool. Parents and church members believed that there was a need for an elementary school that encouraged the development of such skills as life-long learning and critical thinking, within the loving, caring, and well-disciplined atmosphere that Readyland had nurtured. In 1971, the first Kindergarten class opened.

In 1981, Heritage Academy took another momentous step with the addition of Heritage Junior High. That year 7th graders were enrolled. Over the ensuing years, the Lord blessed the program as well as all aspects of Readyland, Heritage Academy, and Heritage Junior High, now known as Heritage Christian Schools.

In 1992, Heritage Academy was granted accreditation by both the Association of Christian Schools International and the Western Association of Schools and Colleges.

Over the years Heritage Christian Schools has seen the creation and implementation of many programs and innovation designed to encourage students - spiritually, academically, physically and emotionally. The Athletics and Electives Participation Program is one of these.

HCS Policy

The Athletic Participation Program will provide supervision and instruction during the specific times agreed upon at registration in coordination with Heritage Christian Schools' administration. Courses offered through the program are currently limited to seasonal sports for students fifth through eighth grade (fourth grade students can participate in Track and Field).

Parents of students must sign a medical and liability release and a participation, medical release, waiver and indemnity agreement in order for their children to participate.
