- Your child will be using their kidsa-z.com account to practice their Vocab and Spelling words this week.

LATIN ROOT

circ, which means “round.”

“Circle” obviously comes from Latin, but don't forget that each “circus” does, too!

GREEK ROOT

chrono, which means “time.”

Events in “chronological” order are step-by-step. An “anachronism” is something that belongs to another time period—see the prefix “an-,” meaning “not!”

HAVE A BLESSED WEEK!

Please reach out if there's anything I can do to serve you and your child. May we all become more and more aware of God's boundless love this week!
