Sports Uniform Use Agreement

2019 – 2020

Instructions for Care:

Uniforms should be washed immediately after each use if at all possible, in cold water using cold water rinse.

Before washing, turn garments inside out to help protect and preserve any decoration.

DO NOT USE FABRIC SOFTNER.

DO NOT USE CHLORINE BLEACH.

Remove uniforms immediately after washing and hang dry.

If you must use a dryer, use a damp dry, air dry, or low setting.

DO NOT DRY UNIFORMS ON HIGH HEAT.

High heat can damage garment decoration. Dryer sheets are ok for anti static. Be sure all stains are completely removed from garment before using a dryer.

Instructions for Return:

Parents will be responsible for the replacement of damaged uniforms or uniforms that are not returned. Uniforms must be laundered and returned no later than two weeks after the last game of the season. An \$100 fee will be charged to your account if uniforms are damaged or not returned.
