- Cursive
- Science
- Music
- Reading
- Latin
- PE

Students have the opportunity to complete projects that integrate their learning across various subjects. Additionally, students in grades 2-8 engage in enriching field trips designed to deepen their understanding and provide real-world connections to their studies.

Since 1967

Heritage Christian Schools Mission

To teach all students the tools of learning – reading, writing, thinking, and speaking, with mastery. Our goal is to help students discover their purpose and serve both God and others effectively, guided by seeking God's will. (Proverbs 3:6 NLT)

End of the Year Report:

This highlights the growth and progress of Heritage Christian Schools, showcasing key data to the community. The final report will be shared in May 2025, offering a clear view of our achievements and future goals.

Reports taken from:

All above reports are taken from STAR data, Curriculum Outlines, RenWeb, and Early Phonics Assessment.
